# ABOUT US

Sea Box International LLC brings together a team with over 25 years of combined experience in shipping and logistics, delivering innovative and dependable solutions across Oman and beyond. Our expertise spans NVOCC operations, vessel handling, transportation, freight forwarding, customs clearance, and integrated logistics, ensuring seamless movement of cargo across all Omani ports and international routes.

We specialize in managing complex projects, oversized and heavy lift cargo, containerized shipments, and ISO tank logistics. We provide tailored solutions that meet the unique requirements of each client. Our full-service approach includes vessel agency representation, drydock support, crew and spare parts logistics, and comprehensive documentation management, allowing clients to rely on SBX for efficient, hassle-free operations.

At SBX, our greatest strength is our people. Our dedicated team of professionals delivers personalized service, anticipates client needs, and ensures exceptional satisfaction. By combining technical expertise with a client-first approach, we turn logistics and shipping into a competitive advantage for our partners. Whether it's container trading, project cargo, or vessel agency services, SBX is your trusted partner for reliable, transparent, and efficient shipping and logistics solutions.
